CHILDREN'S CREATIVE ACTIVITIES NOVEMBER + DECEMBER 2007

FASHION FABULOUS

2-5pm Sunday 4, 11, 18, 25 November

To celebrate the Design Museum's new exhibition Matthew Williamson - 10 Years in Fashion, budding fashionistas can put their design skills and flair to the test and create their own 'Fashion Fabulous' accessories inspired by Williamson's exuberant use of pattern, print and colour.

CRYSTAL CHRISTMAS

2-5pm Sunday 2, 9, 16, 23 December

Kick-start the festive season 'Swarovski-style' at these special, sparkling Crystal Christmas workshops! Children will be encouraged to design and make a glittering array of Swarovski crystal encrusted Christmas decorations, novelties, cards and gifts. These are our most popular workshops and places are limited so early booking is essential.

Crystals for Crystal Christmas Workshops are generously provided by Swarovski.

DESIGN ACTION PACKS

Every child visiting the Design Museum is given a free Design Action Pack of observation and creativity exercises to make their visit more enjoyable and informative. The packs include fun creativity exercises and a Spot the Building game to identify the architectural landmarks which are visible from the riverfront.
